## RESEARCH FIELDS

Labor Economics, Public Economics, Economic History, Economic Demography

## EDUCATION

**University of Notre Dame** – Notre Dame, IN

Ph.D. in Economics

Expected 2025

M.A. in Economics

2020

**University of Alabama** – Tuscaloosa, AL

2015

B.A. in Economics, Political Science, and History

## PUBLICATIONS

**The Effect of Emergency Financial Assistance on Healthcare Use** [\[PDF\]](#) 2022  
with David Phillips and James Sullivan  
Journal of Public Economics

## WORKING PAPERS

**Did Organized Labor Induce Labor? Unionization and the American Baby Boom** (*Job Market Paper*) [\[PDF\]](#)

Conventional economic theories cannot fully explain the timing, duration, and size of the American Baby Boom. I propose a new explanation: the rise of the labor movement. Union density more than tripled following the passage of the 1935 National Labor Relations Act (NLRA). To test unionization's contribution to fertility increases, I construct novel county level estimates of union membership and exploit local variation in exposure to the NLRA shock. Union growth has positive impacts on both birth rates and completed fertility. Effects are driven primarily by wage growth, protection against adverse labor market shocks, and impacts on female labor force participation.

**Can Moves to Opportunity be Constructed? Evidence from the Low-Income Housing Tax Credit (LIHTC)**

with John Soriano and George Zuo

## WORK IN PROGRESS

**Jim Crow in Federal Labor Law? The Davis-Bacon Act and Black Economic Mobility**

**Growth Dynamics of the American Labor Movement**

with Rob Gillezeau

**The Effects of Moving to LIHTC-Subsidized Housing on Labor Market Outcomes**

with Stephanie Karol, John Soriano, and George Zuo

## TEACHING

### Moreau College Initiative

Instructor	Research Internship Program	2023
------------	-----------------------------	------

### University of Notre Dame

Instructor	Principles of Microeconomics (U)	2023
TA	Statistics for Economists (U) (x2)	2022-2023
Tutor	Econometrics (U)	2022
Tutor	Statistics for Economists (U)	2021

## RESEARCH ASSISTANCE

### University of Notre Dame

Wilson Sheehan Lab for Economic Opportunities	2019-2022
---	-----------

### University of Alabama

Alabama Center for Insurance Information and Research	2015-2016
---	-----------

## EXTERNAL PRESENTATIONS

**2024:** Mountain West Economic History Conference, Northwestern University, NBER Summer Institute, Economic History Association, Miami University, Southern Economic Association

**2023:** Midwest Economic Association (session organizer, chair, and presenter), World Congress of Cliometrics, Association for Public Policy Analysis and Management

**2022:** Young Economist Symposium, Social Science History Association

## GRANTS, FELLOWSHIPS, AND AWARDS
